

# President's Award 2016

## Yet another feather for Sunnydale!

The recipient of President's Scout Award, Scout Rafid Ahmed Munjid can be seen standing fourth from right.

Scout Rafid Ahmed Munjid from Ordinary Level brought honour to Sunnydale by achieving the most prestigious scout award i.e. the \*President's Scout Award (2016).

On July 13, 2017, in a befitting award giving ceremony at Dhaka's Osmani Memorial Hall, Honourable President of the People's Republic of Bangladesh Mr. Md. Abdul Hamid conferred the President's Award to Scout Rafid Ahmed Munjid who was one of 327 scouts honoured that day. These 327 scouts had come out as winners among 2000 other scouts from all over Bangladesh. Notably Sunnydale was the only English Medium School to receive this honour and that was only made possible by our very own Scout Rafid Ahmed Munjid.

To become a President's Scout, a scout needs to pass District Level, Regional (Divisional) Level and National Level evaluation tests along with learning the swimming skill.

Sunnydale Scout Group's Vice President Yasmeen Ahmed, Scout Group Leader Uma Chakrabarty, Scout Leaders Reza-E-Rabbi and Shahnaz Perveen have long been giving Munjid and other scouts from Sunnydale considerable guidance to reach this level.

Sunnydale Scout Group wishes him further glories and honour in the future.

\*This award has different names in different countries, such as in the USA it is 'Eagle Scout Award', (Neil Armstrong was one).
